

Dear Church Music and Worship Partner,

The Southern Baptist Church Music Conference is coming to Forest Hills Baptist Church in Nashville, TN Sunday through Tuesday, April 21-23, 2024. We hope you will join us!

WHAT? The Baptist Church Music Conference exists for ongoing interaction between local church worship leaders, Baptist college professors and students, and denominational leaders. BCMC seeks to provide quality resources, engaging fellowship, and up-to-date discussions of the current and future church music landscape. Each Spring approximately 100 to 150 high-profile church music influencers have attended our conference. The conference begins Sunday evening with a concert at 6:00PM. Your first opportunity as a vendor would be at the reception following the concert. The conference ends Tuesday.

WHERE? Forest Hills Baptist Church Scott Shepherd, Interim Minister of Worship, will serve as our host. Conference accommodations have been arranged at ...

HOW? The vendor exhibit space this year is located... This will be a central hub where meals, plenary sessions, and several breakouts will be held. The placement of displays will facilitate maximum circulation of participants to your table.

OPTIONS: Attached is the 2024 Advertising and Exhibiting Contract. We offer packaged or separate item options. Please see the contract for all of the details. We hope you will join us in person. However, the use of print or web ads may be more beneficial for some. The contract contains information for that as well. An exhibitor booth will consist of a 6 ft. table and two chairs. You will need to supply all items for displaying your product and/or information. If you wish to rent multiple, adjoining spaces for your exhibit, you may certainly do so! Please indicate on the contract if you need access to electricity. NOTE: We will not be using pipe and drape this year, so that we can save space in the hall. We look forward to seeing each of you in April 2024! Please let me know if you plan to exhibit or if you have any questions.
